EDUCATION

Illinois State University — Normal, IL
B.S. in Computer Science · GPA: 3.5 — *Expected 2028*

- Recipient of a FIREbird (Faculty-mentored Independent Research Experience) grant for the fall 2026 semester
- Member of ISUSec, student cybersecurity club

Northern Essex Community College — Haverhill, MA
A.S. in Computer-Information Sciences · GPA: 3.82, magna cum laude — *2023 – 2025*

- Academic excellence award in Computer-Information Sciences; citation for excellence in English composition

TECHNICAL SKILLS

Languages: Java, C / C++, Python, JavaScript, SQL, Rust, x86 Assembly, HTML / CSS

Tools & Frameworks: React, Angular, Git, Linux, Windows, macOS, SDLC

Coursework: Data Structures & Algorithms, Object-Oriented Design, Operating Systems, Computer Organization, Database Processing, Microcomputers, Theory of Computation, Linux Administration, Communications

RESEARCH

P.I.T.C.H. (Polyphonic Interpretation Tool for Chords / Harmony) · *Python, Rust, React* — Private Repository

- Ongoing, grant-funded undergraduate research at Illinois State University on a novel multi-algorithm approach to detecting and interpreting harmony in 12-tone Western music
- Applies digital signal processing and machine learning techniques to acoustics and music theory

PROJECTS

Single Pitch Frequency Estimator · *HTML, CSS, JavaScript* — GitHub

- Browser-based monophonic pitch estimator / tuner, built with a lightweight, client-side vanilla web stack
- Implements the YIN fundamental-frequency estimation algorithm on audio input by using the Web Audio API

File Management CLI Tool · *C++* — GitHub

- Cross-platform command-line tool that consolidates common GNU / Linux file operations (touch, mv, rm, etc.) into one program
- Built a platform abstraction layer over file-system-specific APIs for portability across Windows, macOS, and Linux operating systems

20 Questions Binary Tree Game · *Java* — GitHub

- Object-oriented console game that branches questions dynamically using a binary decision tree
- Serializes each category's tree to keep game state / program memory persistent across all sessions

WORK EXPERIENCE

Mosquito Squad North Shore — Topsfield, MA
Seasonal Pesticide Applicator — *Jun 2023 – Sep 2024*

- Managed an independent daily route of 20+ residential appointments, coordinating with leadership and coworkers to provide timely and satisfactory pesticide treatments for all customers
- Licensed by the Commonwealth of Massachusetts to handle and apply pesticide products

Common Man Roadside — Hooksett, NH
Full-time Custodian — *Jul 2022 – Jun 2023*

- Independently maintained total cleanliness and sanitation of the I-93 northbound rest stop, deli, visitor center, and gas station, often serving several hundred visitors or more daily
